You can help save animals in need – from home!

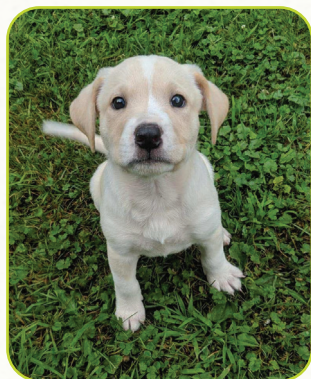

New this year, due to COVID-19, our walk will be going virtual! **While so much is up in the air, one thing we can all count on is that animals will need CVHS.** In these troubled times, we are facing unprecedented losses in funding. Our community has always been there for CVHS. **We can make it through this together!**

Now, more than ever, we need your help. Our Walk is the largest and most important annual fundraising event for CVHS. We rely on this event to raise \$70,000. All money raised is essential to ensure we can go the extra mile for every single animal who needs us this year.

Going virtual doesn't mean going without fun!

We are planning loads of exciting online activities you can do from home. Keep an eye on our website where we will be regularly updating our contests, activities, and of course, prizes!
