

Companion Legacy Society

Honoring Planned Giving Donors

CVHS established the Companion Legacy Society to recognize and thank generous donors, during and after their lifetime, for including CVHS in their estate plans through wills, beneficiary designations, charitable trusts, and other planned gifts.

When you inform us that you have made a planned gift to benefit CVHS, regardless of the size, you automatically become a valued member of our Companion Legacy Society. As a member, we invite you to join us for exclusive activities and events like annual gatherings and tours. With your permission, you will be recognized in our annual report and in our shelter facility.

To inform us of your planned giving intentions, and to become a complimentary member of the Companion Legacy Society, please complete the response section below and return to:
